STRUGGLING TO DECIDE WHAT NEXT?
WELL THEN TAKE A PEEK OVER HERE :)

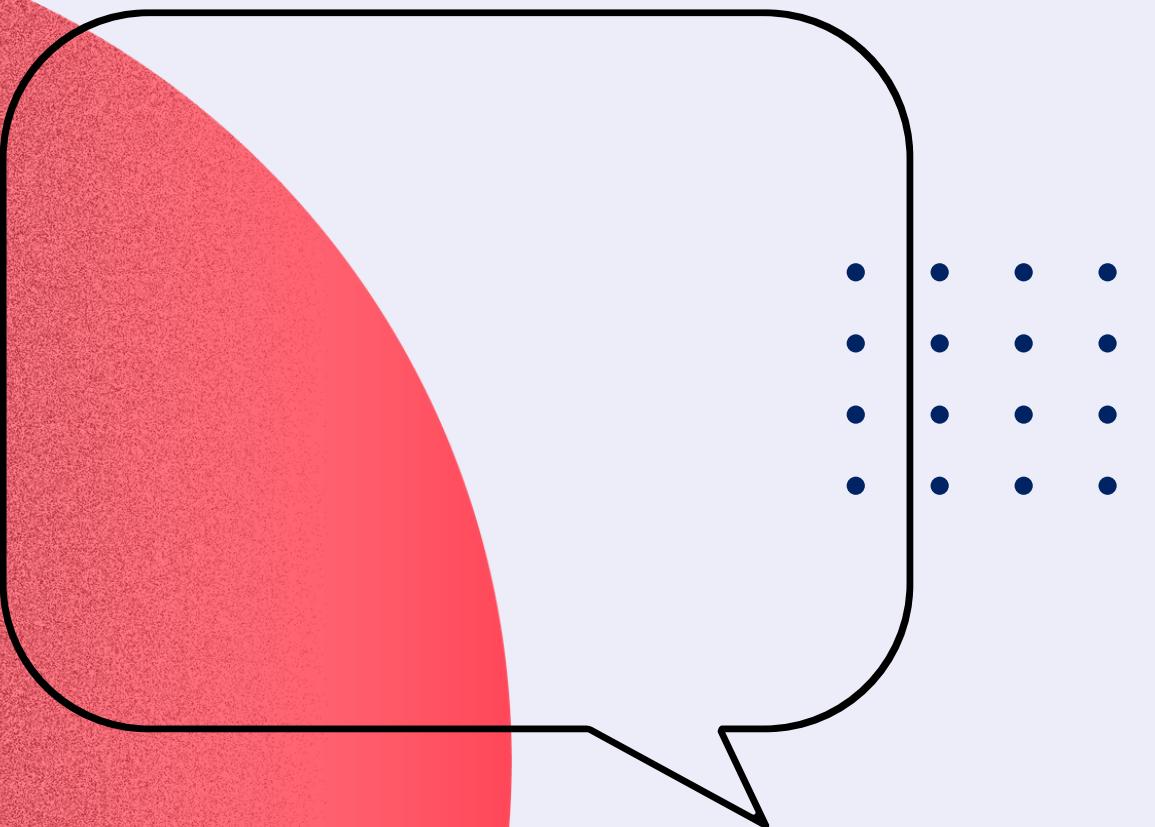

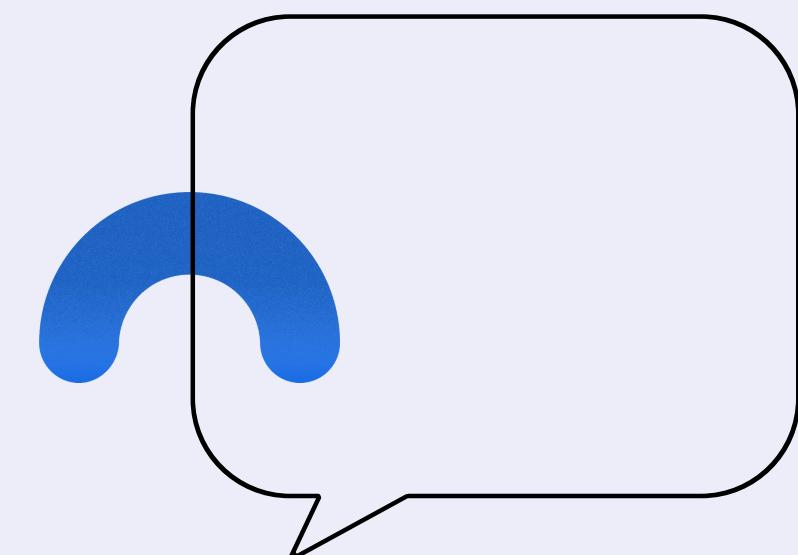

Depending on your
age we help you in
deciding what next

HOW DO WE DECIDE WHAT IS CORRECT?

We created google forms with some valid questions and made a survey with eligible personalities like who are pursuing b-tech and mbbs will be eligible for answering form 1 with some logical questions and analyse that data with more than 10000 answers(in process) which helps 10th students to decide which branch they need to opt .Similarly with 17+ and 22+ .

WHAT NEXT?

Once you submit all your answers ,based on those answers we decide your mental condition and abilities and suggest you a career path and some useful resources which help for your development in that particular profession.

HOW DO WE DECIDE SOMEONE'S CONDITION

Based on the result of our survey we take some common abilities ,interests ,thoughts of particular profession .

like all the engineers have some common things atleast that match 60% with all .All the designers have some common tastes we find what that common things are each profession and then put those questions in our site and once some answered same that matches with most of designers ...we suggest them to be a designer and provide them some free and useful resources to reach his goal.
